Hi Carol -
Thanks for the response. I did hear about your shift but would still like to meet with you, if you are available.

Might that work?

Thank you,
Steve

Hi Steve,

Nice to hear from you and trust you have been well. You may not be aware that I retired from CCA last September and I am continuing to run the Business Improvement District in the center of Downtown that represents only property owners. So, I don't think I can be much help to you as a result. But you may wish to contact Jessica Lall, the new President & CEO, of CCA about your matter.

Hope our paths cross in the not too distant future.

Best regards,

Carol

Hi Carol,

It's been awhile but we met and worked on issues years ago when I was with AT&T Wireless, then at Frontier Communications a year or so ago.

I am working with a client out of Washington DC and thought it might be good for you and they to meet for 20 minutes or so. They are the National Ready Mixed Concrete Association <https://www.nrmca.org/index.asp> and their coalition <http://buildwithstrength.com/>

Their key team members will be here in Los Angeles on the afternoon of June 12th and all day on June 13th.

Would you be able to meet with them? I will be in attendance too.

Thank you for your consideration and I hope to see you.

Best,

Steve Crosby
